## *Who*

---

The Legal Project, Inc. is a private, not-for-profit that was founded by the Capital District Women's Bar Association in 1995.

## *Mission*

---

The Legal Project believes that all people, regardless of income, gender, disability, race, religion, age, sexual orientation or ethnicity should have access to legal services. This belief reflects a deep commitment to fairness and equal justice under the law.

## *How*

---

The Legal Project is unique in that it addresses the civil legal needs of the working poor - those who "on paper" make too much money to qualify for programs for the indigent, but who do not earn enough to pay the fees of private attorneys.
