

THE LEGAL PROJECT

WAYS TO GIVE

1 Make a donation to our Annual Fund

Donations to The Legal Project's Annual Fund directly support people in need in our community.

2 Make a Corporate Gift

Capital Region businesses that want to give strategically for a lasting community impact are encouraged to donate. We will honor your corporate partnership in significant ways and ensure that your donation will directly support the programs and services that are most meaningful to you and your employees.

3 Ask Your Employer For A Matching Gift

Many employers offer matching gift programs for their employees who wish to support organizations. Ask your employer if they participate in matching gifts.

4 Create An Endowment

An endowment is a perpetual, dependable source of support due to the fact that the principal is invested and only a portion of the earnings is spent annually. It is possible to establish both unrestricted and restricted environments.

5 Fundraise for The Legal Project

Fundraisers can be actual events or online appeals, such as social media posts/appeals or crowdfunding appeals.

6 Support Our Legal Clinics

The Legal Project offers free, private and confidential consultations with experienced attorneys at local community agencies in the following areas: Domestic Violence, Foreclosure Prevention, Immigration, Bankruptcy, Returning Veterans and End-of-Life Planning. Get involved or share with your networks!

7 Come To Our Events

Our Annual Celebration Dinner occurs every year in the Fall. Please consider joining us! Your attendance and support is invaluable to our mission.

8 Become A Volunteer

At The Legal Project, we offer a variety of rewarding volunteer opportunities, including pro bono legal services, clerical and/or other professional duties, miscellaneous program support and activities/events planning.
